## State Route 82 at Floribunda Avenue Intersection Safety Improvement Project Open House Public Meeting

**San Mateo County** - The California Department of Transportation (Caltrans) proposes a safety improvement project on State Route 82 (El Camino Real) at Floribunda Avenue, in the City of Burlingame and Town of Hillsborough. The purpose of the project is to improve safety and reduce the potential for collisions involving left-turn movements.

Caltrans has studied the effects this project may have on the environment. The studies show the project will not significantly affect the quality of the environment. Caltrans, as owner and operator of State Route 82, has prepared a Draft Environmental Impact Report/Environmental Assessment (DEIR/EA) for the project. Caltrans will hold an open house/public meeting to provide the public an opportunity to provide comments on the DEIR/EA. The City of Burlingame and the Town of Hillsborough will be in attendance.

The DEIR/EA is available for review and copying at the Caltrans District 4 Office, 111 Grand Avenue, Oakland, California, on weekdays from 8:00 AM to 5:00 PM. The DEIR/EA is also available at:
